By: Elizabeth Dukes, MAA
Principal Assessor

The tax rate for FY2023 has been approved by the Department of Revenue. The new rate is \$9.43 per one thousand dollars in value. It is down .39 cents from last year's rate of \$9.82

The State requires that our assessments be within 10% of market value, yearly. The sales used for these assessments are from 2021. The State requires we have 2% of sales for each class of property and if not we have to use 2 years worth.

The assessment files have been transferred to the Treasurer/Collector and the tax bills will be issued on December 30, 2022. The new assessments are available on the Town website under the Assessors page listed on the left hand side in blue "Assessor Field Cards"

If you have any questions about your assessment after receiving your bill you may call our office at 978-546-2011. The deadline to file for an abatement is 30 days from the date of issue or January 30, 2023. Any questions about payments should be made to the Treasurer/Collector's office at 978-546-6648.

Happy New Year!
